

FITTINGS

CRAFTED TO PERFECTION

Your bathing experience becomes perfect with the perfect bathroom fittings.
Here's a range of Accessories and Fittings that is crafted with utmost details. And it shows!

Designer Bath Fittings is an epitome in bathroom luxury. The company was founded with a long term vision of manufacturing and supplying designer bath fittings of next generation. Our quality policy and our designing standards complement each other.

We have a state-of-the-art manufacturing facility confirming to the highest standards in the industry. Stringent quality standards are followed at every stage of production. Flitz Designer Bath Fittings are tested for its perfection such that they look more like an art piece rather than hardware. Superior raw material, accurate dimensions and premium finish confirm our products to international quality parameters.

The company offers a huge range of designer bath fittings in a number of applications and designs. Our trendy designs match the most contemporary bathrooms, giving a premium bathing experience. Our design studio boast of the best-in-class designers with vivid imagination, a sharp understanding of usage and application and futuristic vision.

We have a wide dealer network in place across India. Our transparent system and supreme quality have earned us very high reliability in a very short period of time. Finest materials, industry-leading technology and classy design will continue to be our trump cards in the times to come.

Taking a shower in the bathroom marks the beginning of your day. But what matters more is how you take a shower! This thought is our guiding force.

OUR SUPERIOR FEATURES

THE JAPANESE RESILIENT CERAMIC DISC

Alumina is one of the hardest known material after diamond and that is what our Japanese technology ceramic discs are made of and fitted onto all our quarter turn ranges.

THE EUROPEAN SUPERIOR & HEAVY-DUTY CARTRIDGE

Our assurance of quality and performance on par with international brands has led to us fitting European cartridges for all our single lever ranges.

THE BRITISH STAND EVER LASTING HIGH GLOSS FITTINGS

Our range of kitchen and bathroom faucets have a four layer coating of nickel and chromium in accordance to British Standards service condition no. 2 & 3.

LAUNCHING FOR THE FIRST TIME IN INDIA WALL MIXER WITH FITTING CARTRIDGES

Here is a wall mixer with smooth movement at a half turn, with dual functionality for both shower head and spout for ease of use.

THE GERMAN FLAWLESS FOAM FLOW AERATORS

Want a picture perfect foam of aerated water than nothing beats our honey comb from the world leader, A German Brand. Enjoy the foam filled stream of aerated water with the right mix air with water which does not splash or spill.
